

Glamper^{RV}

BUSINESS LINE

The bespoke motorhome specialist

GlamperRV, the bespoke luxury motorhome specialist, introduces **GlamperRV Business Line**. Created for those looking for a home office solution whilst also benefiting from a business class, mobile office hotel.

Full business class facilities which come as standard include:

- A large central desk
- LED lighting
- Multiple USB charging points
- Plug sockets without the need for an electric hook up, courtesy of a powerful in-built inverter.
- Full bathroom and kitchen facilities
- Mobile wifi
- Nespresso coffee machine
- Large fridge freezer
- Blackout blinds
- Central heating
- Large garage space
- Separate bedroom

A range of additional options from large flat screens to living space air conditioning and exterior gas points are available.

Exterior makeover

Create your own, totally bespoke motorhome to reflect your corporate colours. Choose your preferred exterior paint colour and decals and its unique look will be a head turner.
